

Assessments

The following assessments are taken each year to help track student progress:

Grades K-3: Dibels Next (reading)

Grades K-3: Dibels Next (math)

Grades 3-6: CDT (reading and math)

The Dibels Next assessments are administered three times a year. The CDT assessments are administered three times a year. These assessments help us determine which interventions would best help a student succeed.

Students in grades 3-6 also take the PSSA each spring. This assessment focuses on reading and math.

Standards

Copies of the state standards are available upon request in order to help you see what the goal and focus of the academic year is. All standards can be found on www.pdesas.org
