BADEN ACADEMY TITLE I EXPLANATION OF ASSESSMENTS & STANDARDS

ASSESSMENTS

The following assessments are taken each year to help track student progress.

	K	Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6
Dibels Next, Reading	•	•	•	•			
Dibels Next, Math	•	•	•	•			
Classroom Diagnostic Tools Reading and Math (CDT)					•	•	•
Pennsylvania System of School Assessment (PSSA)					•	•	•

- Both the Dibels Next assessments and the CDT assessments are administered three times over the course of the academic year. These assessments help us determine which interventions would best help a student succeed.
- Students in Grades 3-6 also take the state-mandated PSSA each spring. All of these grade levels are assessed in reading and math, and students in Grade 4 take an additional test in science.

STANDARDS

Copies of Pennsylvania state standards are available upon request to help you understand the goals and focus of each academic year. All standards can also be found on www.pdesas.org
