Fifth Grade Cardboard Arcade

Inspired by "Caine's Arcade", fifth grade students designed and created a cardboard arcade. Then, they had two whole days where other homerooms could come play...and even win prizes! They were so proud to see their designs come to life. You can see the story that inspired this activity here: <https://www.youtube.com/watch?v=gPAqJpgvwf4>

Weekly Wednesday 5/31/23
