Dear Parents and Guardians,

We hope this message finds you well. We wanted to take a moment to express our sincerest gratitude for your unwavering cooperation and patience during instances of late school buses. We understand that delays can be inconvenient and worrisome, but your understanding and support have truly made a difference.

Our commitment to the safety and well-being of your children is our top priority, and sometimes unforeseen circumstances can lead to unavoidable delays. Your understanding during these moments is a testament to the strong partnership between our school and our parents. We want you to know that we are continually working to improve and minimize any disruptions.

As we work together to provide the best possible educational experience for your children, we are grateful for your understanding and support. Please don't hesitate to reach out if you have any concerns or questions.

Once again, thank you for your patience, cooperation, and partnership.

Warm regards,

Baden Academy Administration
