### **Have you signed the Student Handbook?**

Each year, our school provides a Student Handbook to ensure that families and students are aware of the expectations, procedures, and policies that keep our learning community safe and successful.

We encourage all families to take time to read through the handbook together:

- For older students: Please read and discuss the handbook with your child. These conversations help students understand why the rules are in place and how they support a positive learning environment.
- For younger students: Parents should highlight the rules that are most relevant for their child—such as behavior in the classroom, on the bus, and during recess—so that expectations are clear and consistent.

After reviewing the handbook, families must complete the Acknowledgment Form, which confirms that both parent/guardian and student have reviewed and understand the policies.

The handbook and acknowledgment form are available on our school website: <https://www.badenacademy.org/handbook>

Thank you for partnering with us to build a safe, respectful, and thriving school community!

Warm regards,  
**Mrs. Page and Mrs. Houston**
