# ACCEPTING APPLICATIONS FOR 24-25 SCHOOL YEAR

Starting December 1st

## School Lottery Information

**Applications for next school year will be available on our website on December 1st, should you need to apply for any *new siblings*. Current enrolled students do not need to reapply!** Please read our policy on lottery and preference for applicants.

As a public charter school, our admissions process includes the completion of a digital and random lottery, through which we identify students to be offered a slot for the upcoming school year. **The lottery for *Kindergarten* will be conducted on January 25, 2024. Students in older grades will form a wait list until the end of the current school year until we see how many available spots we have.**

Should we receive more applicants than the number of expected open seats for the upcoming school year, students who were not selected in the initial lottery are placed on a waitlist and offered admissions as seats become available.

During the lottery, the nature of our charter requires that we give preference to applicants for the lottery (for the upcoming school year) in the following order:

- Siblings of existing BACS students from the Ambridge Area School District
- Siblings of existing BACS students from all other districts
- Family members of BACS founders - in the Ambridge Area School District
- Family members of BACS founders - from all other districts
- Students from the Ambridge Area School District
- Students from all other districts

During open enrollment (for the current school year, or for the upcoming school year after the lottery has been completed), admissions are handled on a first-come, first-serve basis.

Please contact the front office with any questions that you may have.
