Applications for the 2023–2024 school year are now being accepted.

Applications for next school year are now available on our website, should you need to apply for any **new siblings**. **Current enrolled students do not need to reapply!** Please read our policy on lottery and preference for applicants.

As a public charter school, our admissions process includes the completion of a digital and random lottery, through which we identify students to be offered a slot for the upcoming school year. The lottery for **Kindergarten** will be conducted on January 26, 2023. Students in older grades will form a wait list until the end of the current school year until we see how many available spots we have.

Should we receive more applicants than the number of expected open seats for the upcoming school year, students who were not selected in the initial lottery are placed on a waitlist and offered admissions as seats become available.

During the lottery, the nature of our charter requires that we give preference to applicants for the lottery (for the upcoming school year) in the following order:

- **Siblings of existing BACS students from the Ambridge Area School District**
- **Siblings of existing BACS students from all other districts**
- **Family members of BACS founders - in the Ambridge Area School District**
- **Family members of BACS founders - from all other districts**
- **Students from the Ambridge Area School District**
- **Students from all other districts**

During open enrollment (for the current school year, or for the upcoming school year after the lottery has been completed), admissions is handled on a first-come, first-serve basis.

**Apply
Now!**

Just a reminder that there will be no school on Monday, January 16th.
This will be a teacher in-service day.

Lost & Found Reminder

Once again, our lost and find pile is growing large. Please remind your student to look for missing items. Everything is located outside of our music room.

Important Message from the Office Ladies

If you have questions or concerns regarding bus schedules or if a bus is running late, especially after school hours, it is best to call the bus company directly. They should be able to give you the most accurate update, as they frequently fail to communicate changes in schedules with us. Below, you will find your bus dispatch contact information. Thank you for your patience as we continue to deal with the bus driver shortage.
