

BADEN ACADEMY CHARTER SCHOOL
BOARD OF TRUSTEES
Regular Meeting
August 19, 2024

Mission Statement: The mission of the Baden Academy Charter School is to inspire personal excellence by cultivating the inherent gifts and talents present in all children by providing a curriculum which integrates the arts and sciences in a highly interactive, hands-on environment resulting in outstanding academic and personal achievement. We will emulate the classical rigor that will create a small, scholarly society of renaissance thinkers who value our humanity and our environment.

Vision Statement: Baden Academy Charter School is dedicated to providing all students with the skills and experiences necessary for them to develop and begin realizing their personal goals and objectives, as well as to become active and contributing members of their communities. The school's emphasis on creative inquiry, critical thinking, and interdisciplinary collaboration will equip students with skills that will be crucial to successfully navigating our complex, challenging, and ever-changing world. Students will be provided a strong foundation to help to encourage sound ethical and moral decisions through a character-education program, while a comprehensive and highly personalized wellness initiative will help to shape healthy lifestyles from an early age. Baden Academy's engagement of core academic subjects in an arts-rich environment is designed to ignite each child's innate curiosity, and to instill a desire for learning that is life-long in its breadth and scope.
