Isibindi Community Fundraiser

Members of Isibindi and our top donors spent time last week with horses from Ready Yourself Youth Ranch. They were able to decorate them and show them love. Because of the generous donations from our Baden Academy families, we presented \$1,479 to

RYYR.

Ready Yourselfes Youth Ranch is for children, ages 6 through 18, who are dealing with various life challenges and difficulties. They connect one child, one horse, and one mentor for 8 weekly 90-minute long sessions of interactive experience, free of charge. Learning to care for and ride horses, many who have come from environments of abuse or neglect, help to increase a child's trust, faith, and love.

Dear Parents/Guardians,

To help keep our students safe, we are required by Pennsylvania law to conduct an intruder safety drill within the first 90 days of school. Our practice drill will take place on Friday, October 10th.

Teachers will explain the procedures to students ahead of time so they understand what to expect. We know that drills like this can sometimes cause worry, so we will conduct it in a calm, age-appropriate way, with plenty of support and reassurance from staff.

The goal of this practice is to make sure everyone knows what to do in the unlikely event of an emergency, while keeping the atmosphere as positive and supportive as possible.

If you have any questions or concerns, please feel free to contact us.

Thank you for your cooperation and continued support in keeping our school a safe place to learn.

Sincerely,

Baden Academy Administration
