Homecoming Success!

This weekend, over 100 former Baden Academy graduates came back to campus to celebrate our first ever homecoming event. The day was integrated with the arts as visitors were able to view artwork from both current and alumni at our Art Fest. Stage performances happened throughout the day featuring our sixth grade choir, a Shakespeare monologue, and a musical number by Beauty and the Beast Jr cast member, Marlee Morgan. Talented alumni performed songs, poetry, and dances for both

current and former families. Thank you to everyone that attended. We hope you and your family enjoyed this event!

Pictured above is sixth grader, Sopia Panella, with a violin that she painted for our silent auction. Seven hand painted instruments were auctioned off to help raise funds for our music department. Sophie's gorgeous violin raised \$300!

We have so many fond memories from over the last ten years. Be sure to check out our slide show celebrating ten years of excellence in education!
