Baroque Brew
Sweet and bright aspects of a high grown Javanese coffee coupled with rustic wet hulled flavors of palm sugar, rice syrup, dried green herbs, hints of fruit, and persistent bittersweetness.

Van Brewgh
Tasty Limu natural, with hints of peach, strawberry, honeydew melon, yellow tea, and lime zest. A standout Ethiopian espresso option too, viscous body, bittersweet chocolate, and dark fruits. Good for espresso.

Brewhemium Rapsody
Simple syrup sweetness accented by notes of caramel, pear, white grape, lemon verbena, and a twist of lime. Potent jasmine aroma, with hints of Puer and Yerba Mate has leading into a bittersweet finish.

Arti'Choke Brew
Savor the rich, robust flavor of Compass Point Coffee without the buzz. Enjoy Compass Point Coffee in a decaf variety for those who love the coffee taste but don't want the caffeine.
