ACCEPTING APPLICATIONS FOR 24-25 SCHOOL YEAR

Starting December 1st

School Lottery Information

Applications for next school year will be available on our website on December 1st, should you need to apply for any *new siblings*. *Current enrolled students do not need to reapply!* Please read our policy on lottery and preference for applicants.

As a public charter school, our admissions process includes the completion of a digital and random lottery, through which we identify students to be offered a slot for the upcoming school year. The lottery for *Kindergarten* will be conducted on January 25, 2024. Students in older grades will form a wait list until the end of the current school year until we see how many available spots we have.

Should we receive more applicants than the number of expected open seats for the upcoming school year, students who were not selected in the initial lottery are placed on a waitlist and offered admissions as seats become available.

During the lottery, the nature of our charter requires that we give preference to applicants for the lottery (for the upcoming school year) in the following order:

- Siblings of existing BACS students from the Ambridge Area School District

- Siblings of existing BACS students from all other districts
- Family members of BACS founders - in the Ambridge Area School District
- Family members of BACS founders - from all other districts
- Students from the Ambridge Area School District
- Students from all other districts

During open enrollment (for the current school year, or for the upcoming school year after the lottery has been completed), admissions are handled on a first-come, first-serve basis.

Please contact the front office with any questions that you may have.

Coming Soon: New Attendance Communication

The all-in-one solution for improving communication between school and home.

As a **guardian**, you can receive **text messages, emails, and autocalled** about attendance and more from teachers and school leaders.

No need to sign up or log in! Just be sure your student's school has your current **cellular phone number or email address**.

Messages can be translated in multiple languages.

You can **write back**, too!

These messages may be about:

Attendance

Homework & Assignments

School events & More

To opt out, write STOP to a text message or press # 1 via autocalled. You may also contact your student's school.

Introducing our new attendance platform! As we continuously strive to enhance the overall learning experience, we've implemented this tool to streamline attendance tracking and ensure a more efficient communication process.

Why is attendance so crucial? Regular attendance is the foundation of academic success. It not only helps students stay on top of their coursework but also fosters a sense of routine and responsibility that prepares them for future endeavors.

Your partnership in encouraging regular attendance is invaluable. Together, we can create an environment that maximizes your child's potential and sets the stage for a successful academic journey.

We appreciate your support as we roll out this new system. If you have any questions or need assistance, please feel free to reach out.

The PTP Needs Your Help!

Santa Shop is quickly approaching! We need lots of volunteers for parent night (December 3rd) and during the school day on December 4th-5th. We also need donations in the form of wrapping materials and food for the volunteers, crafters, and vendors. See the links below and sign up for what you can! Anything and everything is so much appreciated!
