### Baden Academy's Got Talent

Last Friday, we held our first talent show for students in grades 4-5! This successful event was coordinated by music teachers, Mrs. Smith and Mr. Garee, as well as the PTP. Thank you to all of our students and families that joined us. It was so great to watch everyone showing off their skills.

You can watch the entire show here:

## **A Message to Sixth Grade Parents**

Dear Parents and Guardians,

As the school year winds down, we are preparing our sixth-grade students for an exciting new chapter: the transition to middle school. This is a major milestone, and we want to support your family in making it a smooth and successful one.

To help avoid any delays with class scheduling and transportation, please be sure to register your child with your local school district as soon as possible. Timely registration allows your new school to plan effectively for the upcoming year and ensures that busing arrangements are in place well before the first day of school.

Please contact your local school district to complete the registration process. If you are unsure of your district or need help navigating the process, feel free to reach out—we are happy to assist you.

#### Important Note About Student Records:

Once we receive a Release of Records request from your child's new school district, Baden Academy will promptly send all necessary transcripts and student records to help complete their enrollment. Release forms should be faxed to 724-869-4269.

## Free summer STEM enrichment program for 6th - 8th graders

Every child deserves a chance to shape the world. But they don't always have the tools to do it.

That's why we've launched the Verizon Innovative Learning STEM Achievers program - an immersive program developed to ignite STEM passions through design thinking, 3D printing, augmented reality and social entrepreneurship.

 The program takes place over the course of one 4-week program. June 9 - July 3, 2025.

 CCBC: 1 Campus Drive, Monaca, PA 15061

For more information, please contact  
Eva St. Surin - [eva.stsurin@ccbc.edu](mailto:eva.stsurin@ccbc.edu)

### Program details

- The program will take place in person.  
Registrants will be notified by the Program Director regarding acceptance and details of the program.
- Lunch will be provided.
- Inclusive of all genders.
- Free to all students from local middle schools.

Share this with a parent or student in your life.
